Dear Parents/Carers

As we are fast approaching the end of year 13 I wanted to write to you to ask for your continued support as we approach the exam season. We know, as will you, how stressful the summer term can be. There is significant pastoral support available to help our students cope during this demanding time.

The basics are vital – please ensure that attendance is as close to 100% as possible and time off school is only taken where absolutely necessary. Although missed work can be copied up, missed teaching and learning cannot and the focus on managing exam papers is now very sharp.

In addition, we want to concentrate all our efforts on supporting students not correcting uniform. Please help us make this a 'non-issue' as we embark on the summer term.

Thank you in advance for working with us to ensure examination preparation is as thorough as possible and that all remain as calm and focused as can be managed.

I would like to take this opportunity to wish all our students luck in their forthcoming exams and if there is anything we can do to support, then please do let me know.

Kind regards

Mr M Blythe
Head of Sixth Form
