

22nd March 2018

Dear Parents/Carers

It is proposed to take an educational visit for the Year 9 and Year 10 computing students to Legoland Windsor, which will take place on Sunday 8th July 2018 and Monday 9th July 2018. The purpose of the visit is to enhance and enrich students' knowledge of programming and robotics. Bringing computing 'alive' outside the classroom, through this hands – on approach. The students will develop and use their problem-solving skills to learn algorithms, sequences and inputs and outputs through building and debugging programs.

The coach will depart from SGHS at 6.30am on Sunday 8th July 2018 and will return to SGHS at approximately 9.00pm on Monday 9th July 2018.

We would ask for a voluntary contribution to the cost of the visit of £140-00. Initially we would ask for a deposit of **£50-00 to be paid by the 29th March 2018**. This will allow us to proceed with all bookings with definite numbers of students. If there are any savings these will be refunded to you once all elements of the trip are booked.

This cost includes all travel, accommodation at a Youth Hostel near Legoland, hot breakfast, an evening meal on Sunday, lunch at the Park on Monday, park tickets for 2 full days and entry to the personalized workshop entitled "Lego Robotics - Computer Design and Control". It does not include personal spending money for souvenirs or refreshments. The students will need to take a packed lunch for the Sunday (no nuts or products containing nuts are permitted). Students will also need to bring a waterproof coat and sensible shoes for walking around the park along with a small overnight bag. **Please ensure your child carries all medical supplies needed eg epipen, inhaler.**

You automatically give consent for your child to take part in the visit by firstly ticking the consent box on ParentPay before entering and processing the payment amount. If insufficient numbers of students wish to go then the school reserves the right to cancel the visit. There are a limited number of spaces on the trip and spaces will be allocated on a first come, first served basis.

Please read the Code of Conduct on the reverse side of this letter and encourage your child to behave responsibly. Please advise Student Services of any medical changes required for the Data Sheet provided at the start of the school year.

Liability for Trip Costs on Booking:

Please note that on confirming your child's attendance on a trip or activity you may be liable for costs up to the full cost of the activity if the school has incurred the costs in booking on your child's behalf. The school cannot be liable for the cost of any late cancellations, on the basis set out below.

*On paying a deposit this will be non-returnable if at a subsequent date your child cannot attend and there is a related cost of cancellation to the school or to other students attending the event.

*Beyond initial confirmation and/or payment of a deposit you undertake to remain liable for any cancellation payments that the school in turn faces (i.e. payable to any organizations involved in delivering the activity) due to your child's withdrawal from the activity.

Yours faithfully
Mrs R Loffhouse
