- **Year 11 and Y13:** uncollected results will not be posted out. Please make arrangements with the Exams Office to collect them.

Please note that these arrangements are subject to alteration if Covid guidance changes.

**Post Results Advice:** Teaching staff and members of the Senior Leadership team will be on hand on results day if you need post-results advice or help regarding your next steps.

### **PRESENTATION OF CERTIFICATES**

Year 13 Leavers and their families will be invited to a Presentation Evening. The date of this will be sent out as soon as it is confirmed. Year 11 students will be invited to a Presentation Gathering in the Autumn term where they will receive all their GCSE certificates awarded during their time at Skipton Girls' High School. Candidates who are unable to attend the presentation events may collect their certificates in person from school at another time (please arrange with the Exams Officer).

Students will need to produce certificates when applying for further/higher education or for employment. The exam boards charge a substantial fee for a replacement and for this reason we prefer not to post them out to the students. You are urged to collect them quickly and keep them safely.

Skipton Girls' High School is obliged to keep certificates for a period of one year after issue. If they remain unclaimed after this time the school will shred them securely and to notify the exam boards that this has been done. Please refer to our Data Protection and Retention Policy for more information.
