### **PARKING ON STREETS SURROUNDING SKIPTON GIRLS HIGH SCHOOL**

Skipton Police have received a number of complaints regarding parking issues on streets surrounding Skipton Girls High School, namely Ash Grove, Rockwood Drive, Woodlands Drive and Westbank. These relate to vehicles causing an obstruction, blocking access to residents and making visibility difficult.

This is a polite notice reminding staff, students and parents that causing an unnecessary obstruction is an offence and it may result in offenders receiving a fixed penalty notice if these offences persist.

Yours sincerely
