

Parents in Partnership Questionnaire

Please answer all questions openly and honestly, the questionnaire is anonymised and will purely be used to feed into the planning and delivery of future practical sessions.

The aim of the practical sessions to be delivered is to support you as parents to aid your children's learning in the home environment. Long-term, the aim is to build a network of parents who are empowered to support learning and able to promote and share best-practise.

Basic Information:

1. Currently, what year is your child in? Please circle.

7            8            9            10            11            12            13            14

2. Have you attended any previous sessions offered by the school to promote learning techniques?

Yes            No

If yes please elaborate below and state whether you found this session useful/not useful and why.

If no, would you be interested in attending a practical session on learning techniques and strategies?

Yes            No

Why?

3. What do you do currently (if anything) at home to help with your child's learning?

4. Does your child have a space to work at home?

5. Do you discuss learning techniques with your child that they may have picked up from teachers and are you aware that learning techniques are taught as part of the PSCHÉ programme?

6. Do you feel that you and your child would have benefitted from practical sessions in school (offered from year 7) on the science of learning and practical, research proven learning techniques?

Yes                  No

Why?

Science of Learning

1. How would you rate your current understanding of the science of learning (1 being very little, 5 being very strong)

1                  2                  3                  4                  5

2. What would you still like to know about the science of learning to help you support the learning of your child at home?

3. How likely would you be to attend a session designed to teach you practical, research based techniques at school?

Unlikely          Don't know          Likely          Very likely

If unlikely what would make you more likely to attend?

4. What would you like to see offered to make you want to attend a session?

5. Based on the outlined proposal of the future sessions delivered to you today by EAD, is there any changes you would like to see made to the content or delivery of the sessions?

6. Overall, do you think that this project could positively impact the learning of you and your child?

Yes      No

Why?

Thank you very much for taking the time to complete this questionnaire.
