

20th September 2021

Dear Parents/Carers

We would like to take this opportunity to congratulate your child on how well they are settling in at SGHS. We have been so impressed by their resilience as they are coping well with finding their way around school, following their timetable and organising themselves for each day particularly after having been unable to take part in the usual Transition Day.

We hope that your child feels like they are settling in and growing in confidence and would like to remind you that you are able to contact their form tutor, class teachers or myself and Mrs Kendrick should you have any queries or need any support.

We will be holding our 'meet the tutor' event on 11th October where you will have the opportunity to talk with your child's form tutor and discuss how they have settled so far. Further details will be distributed nearer the time.

In the meantime, could I ask for your support with reminding your child of our mobile phone policy in that mobile phones must be switched off once the school day begins, stored in their locker/bag and must not be visible during the course of the school day. Could you also ensure that your child has sufficient funds on their parent pay account to enable them to purchase something to eat or drink at break and lunchtime. Any problems with Parent Pay please contact our ICT team.

Kind regards

Melanie Winter
Student Development and Achievement Leader Year 7 & 8

Pauline Kendrick
Student Progress Year 7&8
